

# Workers' Compensation Claims Management

Atlas, an RPS Company, is excited to announce a new partnership with Gallagher Bassett Services (GB) to administer our workers' compensation claims.

## Claims Handling

Effective 7/1/2025, for all Endurance policies, GB is the new claims administrator for the **RPS Atlas' Workers' Compensation** program.

## What you can expect from GB:

GB's goal is to ensure that claims are resolved both quickly and fairly while maintaining exceptional service and effective communication throughout the entire claims process.

## Reporting claims is easy and convenient:

**Phone:** 833-378-4031

**Fax:** 866-668-7780

**Email:** [Atlasworkcompclaims@gbtpa.com](mailto:Atlasworkcompclaims@gbtpa.com)

For general claims questions or inquiries on previously reported claims, please call GB for assistance:

**Phone :** 818-638-2330

## Why Brokers Trust Gallagher Bassett

**GBCARE Clinical Engagement Model:** Combines point-of-injury triage through **Priority Care (PC) 365**, with proactive nurse-guided early intervention from **Clinical Concierge**.

### Priority Care (PC) 365

- 24/7 nurse triage line for expert injury guidance
- Immediate clinical support at the time of injury
- Helps ensure the right level of care
- Simplifies claims intake and guides early care

### GBCARE Clinical Concierge

- Nurse-guided support & oversight (Days 1-10)
- Identifies treatment needs and clinical support
- Coordinates scheduling, follow-ups, and referrals
- Helps guide treatment to reduce downtime and improve return-to-work outcomes
