

### DEDUCTIBLE NOTICE OF ELECTION

Texas law permits an employer to obtain workers compensation insurance with a deductible. The insurance applies only to benefits payable under Texas workers compensation law. When a deductible is elected, the policyholder is required to reimburse the insurance carrier for benefits payable under the law up to the deductible amount and a credit is applied to the policy. Premium credits are determined based on the deductible selected and the hazard group. The hazard group is determined by the classification that produces the largest amount of estimated Texas standard premium.

You are not required to choose a deductible. If you do choose one, your insurance company will pay the deductible amount for you, but you must reimburse the insurance company within 30 days after they send you notice that payment is due. If you fail to reimburse the insurance company, they may cancel the policy upon ten days written notice, and any resulting premium may be applied to the deductible amount owed.
