

# The Gold Standard of Medical Care

**Support injured employees with greater access to care**

## New Doctors Added

We've added **more doctors in more rural areas** to our network so injured workers get the care they need fast.

## Telehealth Options

Enroll in MPN+ for **on-the-go claim reporting and telehealth options** available in multiple languages.

## Dedicated Team

Every claim is supported by **a dedicated clinical nurse, adjuster, and examiner** for support from start to finish.

## Claims Resources

- **Download resources** to support you and your employees with a claim.
- Visit the online **Claims Dashboard** to report a claim, find a doctor, track claim status, or contact claims adjuster.
